

FRIDAY - 3 March 1950  
25X1A

1. Mr. [REDACTED], Management Officer, and I conferred with Mr. Harrison, Mr. Beach and Mr. Mursell, of the Joint Congressional Committee on Printing, regarding the establishment of a CIA printing plant. The advisability of establishing such a centralized plant was concurred in. It was further requested that CIA, GPO and State Department attempt to reach an agreement as to the control of said plant, and present the completed decision to the committee for approval.
